ABANDONMENTCommissioner For Patents  
P.O. Box 1450  
Alexandria, VA 22313-1450

September 9, 2011

Sir:

Further to the Request to Withdraw Erroneous Holding of Abandonment, filed November 23, 1999, a copy of which is attached as **Appendix A**, applicants again respectfully request removal of the abandonment indicated in the Notice of Abandonment mailed on November 3, 1999. Regarding this, a stamped return receipt postcard, dated November 23, 1999, indicating the receipt of a Request to Withdraw Erroneous Holding of Abandonment for this application, Serial No. 09/050,946, is attached herewith as **Appendix B**.

As can be seen in the Request to Withdraw Erroneous Holding of Abandonment, filed on November 23, 1999, it was pointed out that the reason for the abandonment was the alleged failure to pay the Issue Fee, when, in fact, the Issue Fee

was timely paid on the due date of June 1, 1999. A copy of the postcard receipt, stamped June 1, 1999, showing the payment of the Issue Fee was provided with the November 23, 1999 Request.

However, it is noted that, through an inadvertent error, both the return receipt postcard and the Issue Fee Transmittal itself had the wrong serial number. Specifically, rather than the correct serial number 09/050,946, the Issue Fee Transmittal and the return receipt postcard (of June 1, 1999) both incorrectly indicated serial number 08/050,946. Copies of the Issue Fee Transmittal and the return receipt postcard for it, date stamped June 1, 1999, are provided in **Appendix C**.

Notwithstanding the inadvertent error in identifying the series as "08" rather than "09", it is noted that the actual remaining portion of the serial number was correct, that is, "050,946." Also the filing date of March 31, 1998 was correctly indicated, thereby making it clear that the series was a "09" series rather than an "08" series. Further, the name of the first listed inventor was correct, that is, Takahashi et al. Still further, the attorney docket number was correctly indicated on both the Issue Fee Transmittal and the return receipt postcard, that is, 501.36088X00. Also, the correct title was provided on the Issue Fee Transmittal. Therefore, in accordance with the provisions of MPEP §724.06, which states:

"Where the Office can determine the correct application file that the papers were actually intended for, based on identifying information in the heading of the papers (e.g., application number, filing date, title of invention and inventor(s) name (s)), the Office will transfer the papers to the correct application files for which they were intended without the need of a Petition. "

Therefore, it is respectfully submitted that since the correct filing date, inventor's name, attorney docket number, and title were provided on the Issue Fee Transmittal (and, except for the title on the return receipt postcard dated June 1, 1999), the USPTO

should have been able to transfer the papers to the correct application file at the time the Base Issue Fee was paid. Apparently this did not happen, resulting in the erroneous holding of abandonment.

In any event, even though the correct series for the serial number was not listed with the Base Issue Fee payment, it was correctly listed for the Request to Withdraw Erroneous Holding of Abandonment, both on the Request itself and on the postcard. Notwithstanding this, there is no indication either in applicant's records or in PAIR that any response was ever provided by the USPTO to this initial Request to Withdraw Erroneous Holding of Abandonment. Therefore, the Request is renewed by the present petition.

With regard to the period of delay between the initial Request, filed November 23, 1999, and the present Request, it is noted that, although the docketing system for Antonelli, Terry, Stout & Kraus, LLP includes a reminder notice six-months after a paper is filed, this reminder notice was apparently inadvertently overlooked, resulting in the lengthy delay before it was realized that no response had ever been received from the USPTO regarding the Request to Withdrawn Erroneous Holding of Abandonment. Concerning this, it is noted that, at that time, the docketing department for Antonelli, Terry, Stout & Kraus, LLP had several changes of personnel, and the undersigned attorney also had several changes of his Administrative Assistant. As such, through an inadvertent, unintentional error, the six-month call-up date for checking on this matter was apparently overlooked. It is noted that this error was completely unintentional. It is also noted that, in the present instance, the USPTO has apparently also had inadvertent errors in terms of not responding to either the payment of the Issue Fee on June 1, 1999 or the Request to Withdraw Erroneous Holding of Abandonment on

November 23, 1999. Accordingly, favorable action in this Petition is earnestly solicited.

If the Examiner believes that there are any other points which may be clarified or otherwise disposed of either by telephone discussion or by personal interview, the Examiner is invited to contact Applicants' undersigned attorney at the number indicated below.

Please charge any shortage in fees due in connection with the filing of this paper, including extension of time fees, to the Deposit Account No. 01-2135 (Docket No. 501.36088X00), and please credit any excess fees to such Deposit Account.

Respectfully submitted,

REQUEST TO WITHDRAW ERRONEOUS HOLDING OF ABANDONMENT

Assistant Commissioner for Patents  
Washington, D.C. 20231

November 23, 1999

Sir:

The Notice of Abandonment mailed November 3, 1999 in connection with the above-identified application, holding that the application is abandoned in view of the alleged failure to pay the Issue Fee is noted. However, it is respectfully submitted that the Issue Fee was, in fact, timely paid on the Issue Fee due date of June 1, 1999. As evidence of this, applicants respectfully enclose a copy of a postcard receipt stamped June 1, 1999 in the Mail Room of the U.S. Patent and Trademark Office, indicating receipt of an Issue Fee Transmittal and the \$1210.00 Issue Fee in the above-identified application on that date.

Also enclosed herewith is a signed copy of the Issue Fee Transmittal in the event the original Issue Fee Transmittal filed on June 1, 1999 cannot be located.

In view of the foregoing, it is respectfully submitted that applicants have clearly established that the Notice of Abandonment mailed November 3, 1999 was erroneous and that, in fact, applicants timely paid the Issue Fee in this matter. Accordingly, withdrawal of the holding of abandonment in connection with the above-identified application is respectfully requested.

Respectfully submitted,

ANTONELLI, TERRY, STOUT & KRAUS LLP
